feld R. C. MeNA'RY & C ... 55 College street.

THE GRÆFENBERG MEDICINES Are well known and eagerly sought for throughout the whole Continent of America.

Never Before their introduction could any series of popular remedies be found that were equal to any emer-gency, that were always to be relied on, and were within each of the poorest persons ! Never Before the Gradenburg Pil's, could you obtain for 25c a certain remedy for Billions Diseases, Liver Complaints, Dyspepsia, Costiveness and Asthma. Never Refore this Fever and Ague remedy, could anything be found that cured all cases of Chills and Fev:

Never Before the Green Mountain Ointment was there to be found, for 25c, any immediate cure for Burns, Bruises, Cuts, old Fores, Erysipheias, and Inflammations, either external or internal. Never Before Marshall's Uterine Catholicon was failing of the Womb, and other Ulerine diseases found to be curable. Now, ten cases out of twelve are cared by this med cine.

If any physician supposes that this is merely a quack remedy, we would reply, "that it is prepared by Dr. Pomeroy, of Uties, a wealthy and old physician of the Alopathic school—that we will furnish any reputable physician any quantity of it gratuitously to test its merits on his patients, and furthermore, by writing to Dr. Pomeroy, he can be furnished with its compenent parts. It is the great e-t blessing to the female sex that the science of med cine has discovered in a century. Never Before the Gamlenburg Drientery Syrup

was there a certain remedy for Bloody Flux, Dysentery, Diarrhon or Cholera-now, all can be cured in a few hours, Never Before the introduction of the Children's Panacos, could a mother feel the life of her babe safe for a day, while under five years of are Youthful diseases and strong medicines carried them off-now, this medicine cures them, even after be dector and nurses have pronounced their cases hopeless. Price only 50c. Never Refere was any Tonic Bitter so popular as the Health Bitters it at cost 15c. Why should the world suffer from Dyspepsia or Billions diseases, while this simple nedicine can at all times, prevent sif Never Before was any preparation of Sarsaparilla o powerful as that compounded by the Græfenberg Co.

Never Before has the Consumptive's Balm found its equal. How many are there now in its and health, who would, ere this, have entered Death's dark postal, if they had not been recommended to use this in preserence to many nostroms that are loadly vaunted?

Never McFore were Piles and hundred diseases certain of cure. We have certificates of persons entirely re-lieved, after Dr. Most and other great physicians had as-serted that nothing but the knife could afford redef. Never He fore could inflamed eyes and weakness of sight be cured for twenty-five cents. The Eye Lotion Never Refore was any Book published that contains as much medical knowledge as the Graefenberg Manual of Health, for fwenty-five cents. It ought to be in every family Never Hefore has any Almanae been published so ble as the Heath Almanac. It is furnished gratuit ously by all Druggists, and by MACKENZIE & BECKWITH,

NO HUMBUG!! THE undersigned have purchased the Patent right of DOUBLE ACTING BALL VALVE Force and Lift Pump.

For the States of Teunessee, North Carolina, South Carolina, Georgia, Florida, Alabama, Mississippi and Louisiana. We have tested the Pump in all its recommended uses for order Georgia, Florida, Alabama, Mississippi and Louisiana. We have tested the Pump in all its recommended uses for ordinary purposes—in wells, and as fire engines; and besitate not to say that it is superior to any pump now in use. It is simple and plain in its construction; can be taken to pieces or put together by an ordinary man, black or white, in half a minute. There is not a news or bolt about the pump; there is the least imaginable friction—hence its durability. It is almost impossible for it to get out of fix by usage.

When used for a well or distern it can be converted into a Fire Engine in one minute, and by one man water can be thrown over the tailled houses in the country. It is invaleable as a Fire Engine, and especially in the country or contry towns. It is equally well adapted to all much herry, Railroad Tanka, &c., and will, when a nown, repersered all other pumps. It can be used for either hot or cold water.

Having fully natisfied urselves as to the capacity, value and utility of the Pump, we are ready to make sales of the above territory by counties or States, (except the Western District of this State, which has been sold.) We confidently recommand the Pump to the citizens of the States mentioner.

The Pumps are cheap, and therefore within the reach of every family. deress PORTER & BRIEN, NASHVILLE, Tell. BEEN W. PORTER, JOHN S. SRIEN.
